

# Renovation/Alteration Questionnaire

Name:

Home number:

Address:

Email address:

Mobile number:

Date:

---

To get started, we'd like you to tell us a little more about you and your circumstances. The following questions have been designed to help us help you better.

---

## 1. What are you looking at doing?

## 3. What are the main things you want to add to your home?

- Space
- Bedroom(s)
- Living
- Outdoor
- Value
- Comfort
- Light
- Warmth
- Income
- Other

## 2. Why do you want to renovate your house/building?

## 4. If one of the main reasons why you are renovating is to improve the value of your home, the following will help you, otherwise skip to question five.

What is the approximate value of your home?

\$

What is the value of similar property in your area? (Local real estate literature or recent sales may help you here)

\$

Address:

\$

Address:

\$

Address:

5. **What budget constraints do you need to work within?** Please indicate an amount so we can work out the best price based on your needs.

\$

6. **Do you have designs, plans, consents?**

Yes  No

**Would you like us to help you in this area?**

Yes  No

7. **Who will be using the building?**

8. **Approximately how old is the building you are renovating?**

9. **List any concerns you have about getting your home renovated?**

10. **List any other parts of your home/ that are frustrating you?** (It may be possible to remedy these as part of your renovation)

11. **Do you have any specific timing requirements to work within?**

12. **Would you like us to explain why it might be better to get an estimate rather than a fixed price for your renovation?**

Yes  No

13. **What would your number ONE factor be when deciding on which company you will use for your project?**

14. **Who will make the decision about which company you renovate with?**

15. **How did you hear about us?**

- Letter box flyer
- Sign at Building Site
- Google Search
- Other, please specify below:

As a part of Kit-Markin's build philosophy, we support eco-friendly construction. Would you consider using or supporting these items

- Solar panels
- Triple glazing windows
- Having itemised waste bins for specified waste
- Using recycled timber where possible
- Installing efficient power fixtures
- HRV or DVS system

Congratulations!

Thank you for your time. Please hit send to submit or return this prior to our meeting.
